Washington, D.C. 20505

Dear Bill,

A belated note of appreciation for your generosity in sponsoring my membership in the Metropolitan Club and in hosting the reception two weeks ago. The enjoyable part was clearly the chance to chat with you for an extended period -- something I unfortunately don't get to do very often these days.

To show you, however, that we are not entirely idle, I am enclosing summary of publications produced by my organization, ranging from purely statistical analyses to competitive assessments on East-West trade, energy, foreign investment, and on selected U.S. industries. After three years, I am pleased to say that we have put in place a credible structure to conduct domestic and international analyses on issues that affect our world-wide competitiveness.

Sincerely,

Lionel H. Olmer
